

6TH Baltic ENT Congress

22ND - 24TH MAY, 2014, KAUNAS, LITHUANIA

www.BalticENT2014.org

INVITATION

Dear Colleagues,

On behalf of Lithuanian Otorhinolaryngological Society it is my great pleasure and honor to invite you to the 6th Baltic ENT Congress, which will be held in the charming city, founded at the confluence of the rivers Neris and Nemunas, – Kaunas, on May 22nd - 24th, 2014. Almost 10 years have passed since we welcomed you at the Baltic ENT Congress in Lithuania, Vilnius. Guests from foreign countries will have a possibility to appreciate all the positive changes and development not only in the field of our specialty, but in our country as well.

I believe, that this meeting will offer otorhinolaryngologists from Lithuania, Latvia, Estonia and other countries an ideal opportunity to pursue continuing medical education, to learn about recent achievements, likely future developments and to exchange scientific ideas and experiences in our field.

The organizers will unite their efforts to prepare a scientific feast, in which we will have important foreign and national speakers. We do encourage all participants to contribute to the Scientific program of the Congress by submitting abstracts.

The Congress will focus on the most interesting and actual topics:

- Allergy & nasal obstruction syndrome
- Hearing & vestibular disorders
- Head & neck oncology
- Endoscopic sinus surgery
- Skull base surgery
- Snoring & OSAS syndrome
- Voice disorders
- Pediatric otorhinolaryngology
- Swallowing disorders

In addition to valuable scientific program, delegates and accompanying persons will be offered a memorable social program, including live musical entertainment, as well as will experience traditional Lithuanian hospitality. During free time guests will have an opportunity to enjoy rich cultural and historical heritage of Kaunas, visit museums, galleries or just take a walk down the Old Town or famous Freedom Avenue.

We look forward to welcoming you in Kaunas. We are certain that you will greatly enjoy this major scientific event as well as ambience of the city.

Prof. Dr. Habil. Virgilijus Uloza
President

Otorhinolaryngological Society Lithuania
Head Department Otolaryngology
Kaunas University of Health Sciences
