Dear Colleagues and Friends,

We would like to cordially invite you to attend the **12th Congress of the European Laryngological Society** which is being held on May 16–19, 2018 in the Queen Elizabeth II Conference Centre, London.

The 12th ELS Congress 2018 is an important event providing an excellent platform for a scientific exchange and discussion between research and health professionals working in the laryngology field.

The Scientific Programme Committee is preparing an exciting programme with 12 Keynote Lectures and 18 Round Tables that highlight novel findings in the field of laryngology. Also, the E-poster sessions, 14 Instructional Courses and 3 Video sessions offer a wide range of opportunities to enhance and enrich the professional experience.
