## TRANSPORT TO THE COURSE LOCATION

The Department of Anatomy, MU Brno is a part of a new University Campus which is located in Brno-Bohunice. The Campus can be reached by public transport about 20 minutes from the city centre. Both, from the train and coach stations, you can take the bus No. 60, get off at the bus-stop Nemocnice Bohunice and change to the bus No. 61 or 69. Then you get off at the bus-stop Kamenice. City public transport timetables can be found at [www.dpmb.cz](http://www.dpmb.cz)

It is also possible to use a parking area which is a part of the Department of Anatomy.

BRNO 25. - 27.11.2014

## PROGRAM DAY 1

**7,30 - 8,00 - Registration**

**8,00 - 8,10 - Invitation words**

**8,10 - 09,30 - Lecture step by step**

Anatomy - temporal bone

Antromastoidectomy, posterior tympanotomy,  
canal wall up, tympanotomy, myringoplasty, ossiculoplasty

**9,30 - 10,00 - Coffee**

**10,00 - 12,00 - Dissection**

Right side - antrotomy, antromastoidectomy

**12,00 - 13,00 - Lunch**

**13,00 - 15,00 - Dissection**

Right side - posterior tympanotomy, canal wall up,  
tympanotomy, myringoplasty, ossiculoplasty

**15,00 - 15,30 - Coffee**

**15,30 - 16,00 - Demonstration**

Stapedotomy

**16,00 - 18,00 - Lectures**

Terminology of temporal bone surgery

CT and NMR

Imaging of temporal bone

History of temporal bone surgery

Examination of hearing loss

Myringoplasty

Ossiculoplasty

**19,30 - Dinner**

## PROGRAM DAY 2

### **8,00 - 09,30 - Lecture step by step**

Stapedotomy

Meatoplasty, canalplasty

Canal wall down

Subtotal petrosectomy

Decompression of n. VII

### ***9,30 - 10,00 - Coffee***

### **10,00 - 12,00 - Dissection**

Left side - Stapedotomy, stapedectomy

Meatal flaps, meatoplasty, canalplasty

### ***12,00 - 13,00 - Lunch***

### **13,00 - 15,00 - Dissection**

Left side canal wall down, mastoid tip,  
subtotal petrosectomy, decompression of n. VII

### ***15,00 - 15,30 - Coffee***

### **15,30 - 16,00 - Demonstration**

Cochlear implantation, posterior tympanotomy

### **16,00 - 18,00 - Lectures**

Surgery of stapes

Tympano - ossicular Tympanoplasty

Cochlear implantation, middle ear implants

BRNO 25. - 27.11.2014

## PROGRAM DAY 3

### **8,00 - 09,30 - Lecture step by step**

Anatomy of n. VII

Infratemporal fossa typ A

### ***9,30 - 10,00 - Coffee***

### **10,00 - 12,00 - Dissection**

Right side - subtotal petrosectomy

Infratemporal fossa typ A

Decompression and transposition of n. VII

### ***12,00 - 13,00 - Lunch***

### **13,00 - 15,00 - Dissection**

Right side continue

### ***15,00 - 15,30 - Coffee***

### **15,30 - 16,00 - Demonstration**

Inner ear meatus

### **16,00 - 17,30 - Lectures**

Glomus jugulare

Surgery of lateral skull base

Surgical treatment of vertigo

## AFFIRMATION OF PREVENTIVE VACCINATION

### Safety precautions

The course includes a practical part, i.e. working with cadavers, where the infection risk cannot be completely eliminated (as during any other manipulation of biological material). Therefore it is necessary for the participants who take part in the practical part to be appropriately revaccinated. On the basis of our notice the clients are obliged to sign relevant safety affirmation before the course begins.

The practical part participants will be supplied with following disposable protective aids: surgical shirt, trousers, gown, shoe covers, cap, mask, gloves and goggles. The course organizer is not responsible for injuries or damage incurred within the course.

### Affirmation of preventive vaccination

I declare that I am appropriately vaccinated against diseases according to the Decree of Healthcare Ministry of the Czech Republic no.439/2000 Coll. of 6th December 2006 about vaccinations against diseases which could be transmitted to me from the biological material during the course. I commit myself to use protective aids which are specified by the course organizer. Thereby I relieve the organizer from responsibility in case of any health damage during the course.

This affirmation will be submitted in order to sign it before the course beginning at the registration.

BRNO 25. - 27.11.2014

Educational Centre  
for Practical Anatomy
