

Dear Friends and Colleagues,

CEORLHNS has launched an Academy program, tasked with improving and updating knowledge and skills of European residents and young specialists, aiding in their preparation for national and international exams. It also serves as a promotor of friendship and a sense of belonging to the same community. The first course held in Zagreb in March 2023 was a great success, with 100 participants from 24 countries. The evaluation scores attributed by the participants were very high, which prompted us to continue with the CEORLHNS

We cordially invite young colleagues to **Academy 2nd Course on April 12th and 13th, 2024 in Dubrovnik, Croatia.** The main concept is to utilize problem based learning in processing 25 topics in an interactive manner. Apart from advancing our ORL-HNS field, the beautiful city of Dubrovnik will serve as an impressive venue in creating an unforgettable experience for all attendees.

Welcome!

Prof. Tomislav Baudoin, MD, PhD
Course Coordinator
